Statement of Intent

Rumi, short for 'Ruminate' is my thought tracker. What do I spend most of my time thinking about? Where do these thoughts occur? How many of them are positive? How many of them are negative? I am going to create Rumi to find answers to these questions.

Typography

Heading

Body: Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
